

Dear Patient,

I am writing to let you know that I will be moving to a different state, with my last day at North Texas Allergy and Asthma Associates being August 20, 2026.

I have enjoyed the opportunity to be your physician and want to make this transition for you as easy as possible. If your next appointment is due before date of resignation, I will of course be delighted to see at the scheduled time. If you are currently not scheduled before then and would like to be seen, I would be happy to see you. We can assist you in scheduling a sooner follow-up appointment. Beyond that, my wonderful colleagues Dr. Jamie Yaeger and Rebecca Hauser, PA-C/Taylor Krings, PA-C will be stepping into my place to continue your care if you so desire. Your medical records will remain with the clinic and are available to you, if needed.

It has been a privilege to care for you and your families during my time at the practice. I am deeply grateful for the trust you have placed in me and for the relationships we have built together.

If you have any questions or concerns, please do not hesitate to call us at 214-369-1901.

Thank you again for allowing me to participate in your care. I wish you all the very best in health and wellness.

Sincerely,

*Aimee Mctwani, MD*
